- Lisa Durden, Executive Director presented the DL Roope pass/fail reports.

The Board discussed guidelines regarding applications with convictions and the guidelines for review of applications which indicate that the applicant has failed to disclose an arrest and/or conviction.

Lisa Durden presented a spreadsheet with the reciprocity issues with other states. The Board discussed ways to expedite reciprocity applications and will bring recommendations to the October Board meeting.

Lisa Durden asked if buffer blocks and sanding blocks are able to be re-used if sanitized. The manufacturers advertise that they are sanitizable. This question came up in a recent Barber Board hearing. The Board stated that these are porous disposable implements that are not able to be disinfected; therefore, they are one time use only products.
